

“Exceptional Sex”* Requires Vulnerability & Intimacy

“In the Exceptional Marriage Mentoring process, we work with couples who are willing to confront the inevitable sexual and emotional difficulties that will arise as their relationship deepens”*

Join us in a group for couples as we begin a sacred journey to search for the “Exceptional Marriage”*

For those of you in committed relationships who are willing to “Take a Risk” and confront yourself in the context of the relationship using **“The Full Self Expression Process”***

In this intimate, safe and conscious group setting, partners will be encouraged to expose and challenge old patterns of relating to each other that involve control patterns and shared energy fields. The goal is to ultimately take responsibility for your own growth, pleasure and fulfillment in order to deepen the relationship.

Facilitated by Marsha & Michael Antkies (203) 438 – 9526

If you are not comfortable in a group setting, individual sessions are also available
