

"Marriage As It's Meant To Be"

TAKE YOUR RELATIONSHIP DEEPER

Couples Sessions
With Certified Exceptional Marriage Mentors:
Marsha & Michael Antkies
Ridgefield, CT

- ✦ Take your relationship into uncharted territories of love, honesty, individual fulfillment, and pleasure.
- ✦ Mentoring focuses on what we call "full self expression." Each partner becomes more and more open to the broad range of human emotions. Greater passion is the result.
- ✦ Conflict is seen as an important aspect of the Exceptional Marriage. Conflict that is expressed honestly allows for two strong people to draw from each others differences.
- ✦ Emphasis is placed on unblocking the negative energy that prevents people from fully letting each other in.
- ✦ The ultimate aim of the EMM process is to assist couples in reaching the full potential for happiness, pleasure and personal fulfillment that is the promise of long term commitment to another human being.

EMM is not for everybody. It is for those couples who truly want to take their marriages to higher and deeper places.
